

## **Adhunik Metaliks Limited**

### **Integrated Management System Policy**

We, at Adhunik Metaliks Limited, are committed to becoming the preferred supplier of Alloy and Special Steels by:

- Maintaining safe and healthy workplace for all our employees
- Manufacturing and delivering quality products and services to meet the changing needs and expectations of our customers
- Promoting environmental and social sustainability, low carbon trajectory and circular economy
- Complying to the statutory and regulatory requirements
- Minimizing specific energy consumption in our manufacturing processes
- Enabling data and information security of the business, employees, customers and suppliers.

We will achieve all above through:

- Competent, motivated and engaged employees
- Continual improvement and innovation of our business processes
- Consistent reviews (PDCA) of the integrated management system for its effectiveness.
